

WALLED LAKE NORTHERN KNIGHTS FOOTBALL 2017

On behalf of the Walled Lake Northern Football Boosters, welcome to the 2017 season of Knight Football. The WLN Boosters is an organization comprised of many active members who never cease to support our team. Our Head Coach, Brett Moore, has outlined an exciting schedule for the year. With renewed determination and year round conditioning the Knights are ready to take on their 2017 opponents!

The expense of maintaining a quality football program is considerable. Your sponsorship will benefit these athletes by helping offset the expense of practice equipment, jerseys, helmets, shoulder pads and much more. Football isn't just a sport it's an opportunity for many high school athletes. Please consider one of our packages and be a WLN Sponsor. Banners are displayed around the field for the entire season and are viewed by every organization and team using our football field!

Thank you very much for your continued support and dedication to our student athletes and WLN Knights! We are looking forward to an incredible season! **GO KNIGHTS!**
